* Significant under-reporting by law enforcement (a significant percentage--over 25%--of the population within the county was not represented in the county total, as local law enforcement agency(s) did not provide juvenile arrest information); therefore, the actual number of arrests for the county is greater than the total reported.

** Violent offenses include: Murder, Manslaughter, Forcible Rape, Robbery, and Aggravated Assault.

Data include juveniles under the age of 10.

The Spokane Police Department did not report juvenile arrests to WUCR from 2002 through 2007.

Note: 2011 Juvenile arrest data should not be compared to previous years' data due to the conversion from Summary UCR to NIBRS reporting and the inaccurate trend in the "all other offenses" category.
